

## AUSTRALIAN EMBASSY VIENTIANE

### **CALLING ALL PRIVATELY-FUNDED ALUMNI OF AUSTRALIAN EDUCATION INSTITUTIONS**

If you are Lao, and attended University or College in Australia for at least 6-months (not funded by an Australian Government scholarship), then the Australian Embassy would love to hear from you.

The Australian Embassy is currently putting together a database of Lao people who have studied in Australia under private funding arrangements. The Ambassador would like to host a reception for these privately-funded alumni, at which we will seek to build closer links with and among privately-funded Australian alumni, and also discuss options for future networking.

Any privately-funded Lao alumni of Australian education institutions should contact the Australian Embassy in Vientiane, Tel. 021 353 800, ext147, to register their interest and contact details.
